

Rheingau - program - offer by meet & more:

The Rheingau, a traditionally distinguished wine-growing region, it offers a variety of Incentive as well as conference programs for corporations and their customers.

meet & more is in a unique position to put custom-tailored proposals together for any event, incentive, conference you can think of.

It does not matter if you have a rustic or sophisticated program in mind, we can offer anything from Gala-dinner in a former cloister, or rustic historic features(including ancient costumes from the respective periods), hiking in the vineyards, and memorable wine-tasting in original vintage cellars, literary evenings etc. And the romantic Rhine is also famous for its fairytales and legends. And numerous out-door activities can be planned in the area.

Therefore, let us help to create a memorable program to impress and divert your customers, sales force or employees.

meet & more would be delighted to help you plan and realize any of these projects according to your ideas.
