

Off Road in the neighbouring hills (Taunus) Fascination pure!

Do you agree this is unusual? We do!

You can enjoy the following features

- » **truck driving** (20-tons, original truck of the Ralley Paris Dakkar)
- » **Quads, drive** (4 wheel Motorbike)
- » **Jeep, driving** with Pit stop stations
(activities around the vehicle)
- » **navigation with GPS**, map and compass)

The introduction will take place with experienced instructors; Thereafter you can practice the newly learned knowledge.

World wide arrangements can be from one day to one week, including hotel arrangements, catering, as well as any other requirements you may have. Training material will be supplied
